

SETTLEMENT AND RELEASE AGREEMENT

This Settlement and Release Agreement (“Agreement” or “Settlement Agreement”) is entered into by and between Plaintiff Isidro Calonia, Jr. (“Plaintiff”) individually and on behalf of the Settlement Class, and Defendants Trinity Property Consultants, LLC and Pacific Personnel Services, Inc. (“Defendants”) and in the case of *Calonia v. Trinity Property Consultants, LLC, et al.*, Case No. 20-cv-06130, currently pending in the U.S. District Court for the Northern District of Illinois (the “Litigation” or “Action”). Plaintiff and Defendants are each referred to as a “Party” and are collectively referred to herein as the “Parties.”

I. FACTUAL BACKGROUND AND RECITALS

1. On June 12, 2020, Plaintiff filed a Class Action Complaint against Defendant Trinity Property Consultants, LLC (“Trinity”) alleging violations of the Illinois Biometric Information Privacy Act, 740 ILCS § 14/1, *et seq.* (“BIPA”) in the Circuit Court of DuPage County, Illinois with respect to its alleged use of biometric technology. Plaintiff’s Complaint sought recovery on a class basis of, among other things, liquidated damages under BIPA and an award of attorneys’ fees, costs, and expenses.

2. On October 15, 2020, Trinity removed the Litigation from state court to the United States District Court for the Northern District of Illinois. Dkt. No. 1.

3. On December 7, 2020, Trinity filed a Motion to Dismiss Plaintiff’s Class Action Complaint. Dkt. No. 11.

4. On January 20, 2021, Plaintiff filed a Motion to Amend the Complaint to add Pacific Personnel Services, Inc. (“Pacific”) as a defendant. Dkt. No. 17. The Motion to Amend was granted and, on January 22, 2022, Plaintiff filed an Amended Complaint against Defendants Trinity and Pacific. Dkt. No. 19.

5. On February 11, 2021, Defendants filed a Motion to Dismiss the Amended Complaint, which was fully briefed. Dkt. Nos. 20-24.

6. On January 6, 2022, pursuant to the Parties’ joint request, this Court granted a stay of this case pending the Illinois Supreme Court decision in *McDonald v. Symphony Bronzeville Park LLC*, No. 126511. Dkt. No. 30. On February 3, 2022, the Supreme Court released an opinion in *McDonald* affirming the judgment of the Appellate Court that the Illinois Workers Compensation Act (“WCA”) does not preempt claims under BIPA. 2022 IL 126511, at ¶ 50. As a result, the stay was lifted.

7. On June 14, 2022, following the lift of the stay, the Court issued a memorandum and opinion denying Defendants’ Motion to Dismiss the Amended Complaint and directing the Parties to proceed with discovery. Dkt. No. 38.

8. Thereafter, the Parties exchanged written discovery. With the benefit of initial discovery, and further review of the alleged facts and issues in the case, including Defendants' attempts to comply with BIPA, the Parties engaged in arms-length settlement discussions and reached an agreement on key terms.

9. The Parties now seek to enter into this Settlement Agreement. Plaintiff and Class Counsel (as defined below) have concluded that a settlement according to the terms set forth below is fair, reasonable, and adequate, and beneficial to and in the best interests of Plaintiff and the Settlement Class recognizing: (i) the existence of complex and contested issues of law and fact; (ii) the risks inherent in litigation; (iii) the likelihood that future proceedings will be unduly protracted and expensive if the proceeding is not settled by voluntary agreement; and (iv) the magnitude of the benefits derived from the contemplated settlement in light of both the maximum potential and likely range of recovery to be obtained through further litigation and the expense thereof, as well as the potential of no recovery whatsoever. Plaintiff and Class Counsel also considered Defendants' substantial compliance with BIPA and the potential for disputed issues if the case were to proceed to further litigation and the probability of success at a trial on the merits.

10. Defendants deny and continue to deny each and every allegation and all charges of wrongdoing or liability of any kind whatsoever that Plaintiff or members of the Settlement Class (as defined below) presently have asserted in this Litigation or may in the future assert. Despite Defendants' belief that they are not liable for and have good defenses to the claims alleged in the Litigation, Defendants desire to settle the Litigation and thus avoid the expense, risk, exposure, inconvenience, uncertainty, and distraction of continued litigation of any action or proceeding relating to the matters being fully settled and finally put to rest in this Settlement Agreement. Neither this Settlement Agreement, nor any negotiation or discussion thereof, is or may be deemed to be or may be used as an admission of or evidence of any wrongdoing or liability on the part of Defendants.

11. The Parties are satisfied that the terms and conditions of this Settlement Agreement are fair, reasonable, adequate, and in their respective best interests considering the risks and uncertainties of continued litigation and all factors bearing on the merits of settlement.

12. In consideration of the covenants, agreements, and releases set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed by and among the undersigned that the Underlying Action be settled and compromised, and that the Releasors release the Released Parties of the Released Claims, without costs as to Released Parties, Plaintiff, Class Counsel, or the Settlement Class, except as explicitly provided for in this Agreement, subject to the approval of the Court, on the following terms and conditions.

III. SETTLEMENT CLASS CERTIFICATION

43. For the purposes of the Settlement only, the Parties stipulate and agree that: (1) the Class shall be certified in accordance with the definition contained herein; (2) Plaintiff shall represent the Class for settlement purposes and shall be the Class representative; and (3) Plaintiff's Counsel shall be appointed as Class Counsel.

44. Defendants do not consent to certification of the Class for any purpose other than to effectuate the Settlement. If the Court does not enter a Final Approval Order, or if for any other reason the Settlement does not become Final, is successfully objected to, or challenged on appeal, any certification of any Class will be vacated and the Parties will be returned to their positions with respect to the Action as if the Agreement had not been entered into. In the event that a Final Approval Order is not entered or the Settlement is not Final: (i) any Court orders preliminarily or finally approving the certification of any class contemplated by this Agreement shall be null, void, and vacated, and shall not be used or cited thereafter by any person or entity; and (ii) the fact of the Settlement reflected in this Agreement, that Defendants did not oppose the certification of a Class under this Agreement, or that the Court preliminarily approved the certification of a Class, shall not be used or cited thereafter by any person or entity, including in any manner whatsoever, including without limitation any contested proceeding relating to the certification of any class.

45. Subject to Court approval, the following Settlement Class shall be certified for settlement purposes only:

46. Excluded from the Settlement Class are all persons who elect to exclude themselves from the Settlement Class and the legal representatives, heirs, successors or assigns of any such excluded persons, and the Court and staff to whom this case is assigned, and any member of the Court's or staff's immediate family.

IV. SETTLEMENT OF UNDERLYING ACTION AND ALL CLAIMS AGAINST RELEASED PARTIES

47. Final Approval of this Settlement Agreement will settle and resolve with finality on behalf of the Plaintiff and the Settlement Class, the Litigation and the Released Claims and any other claims that have been brought, could have been brought, or could be brought now or at any time in the future against the Released Parties by the Releasing Parties in the Litigation or in any other proceeding arising out of, in any matter related to, or in any matter connected in any way with the Released Claims.

V. SETTLEMENT AMOUNT AND ALLOCATION

48. Establishment of the Gross Settlement Fund

a. Within fourteen (14) days of the Effective Date, Defendants shall pay the total sum of the Gross Settlement Fund to the Settlement Administrator. Provided that this Agreement is finally approved by the Court without material change, material amendment, or material modification, the Gross Settlement Fund will be used to satisfy all payments contemplated by this Agreement in exchange for a comprehensive release and the covenants set forth in this Agreement, including, without limitation, a full, fair and complete release of all Released Parties from Released Claims, and dismissal of the Underlying Action with prejudice.

b. The funds provided by Defendants to the Settlement Administrator will be maintained by an escrow agent as a Court-approved Qualified Settlement Fund pursuant to Section 1.468B-1 et seq. of the Treasury Regulations promulgated under Section 468B of the Internal Revenue Code of 1986, as amended, and shall be deposited in an interest-bearing account.

c. f. The Gross Settlement Fund represents the total extent of the Released Parties' monetary obligations under the Settlement Agreement. Defendants' contribution to the Gross Settlement Fund shall be fixed under this Section and be final. Released Parties shall have no obligation to make further payments into the Settlement Fund and shall have no financial responsibility or obligation relating to the settlement beyond the Gross Settlement Fund.

49. **Steps Necessary to Obtain Preliminary Approval by the Court**

a. **Unopposed Motion for Preliminary Approval of the Settlement by the Court.**

i. Plaintiff will circulate proposed unopposed motions for Settlement approval at least fourteen (14) calendar days in advance of filing and Defendants will have adequate opportunity to review and provide suggested edits. Defendants retain the right to oppose the Preliminary Approval Motion in the event Defendants' suggested edits to the Preliminary Approval Motion are not adopted.

ii. Plaintiff will file the motion for an order conditionally certifying the Class for settlement purposes, giving Preliminary Approval of the Settlement, setting a date for the Final Approval Hearing, and approving the Class Notice (the "Unopposed Motion for Preliminary Approval").

iii. At the hearing on the Unopposed Motion for Preliminary Approval, the Parties will jointly appear, support the granting of the Unopposed Motion for Preliminary Approval, and submit a proposed order granting conditional certification of the Class and preliminary approval of the Settlement; appointing the Class Representative and Class Counsel; approving the forms of notice to the Class of the Settlement; and setting the Final Approval Hearing.

iv. For the purposes of the Settlement and the proceedings contemplated herein only, the Parties stipulate and agree that the Class shall be conditionally certified in accordance with the definition contained above, that Plaintiff shall be conditionally appointed class representative for the Class, and that Plaintiff's Counsel shall be conditionally appointed as counsel for the Class.

Should the Court decline to preliminarily approve any aspect of the Settlement, the Parties shall attempt to renegotiate those aspects of the Settlement in good faith, with the mutual goal of attempting to reach an agreement as close to this Settlement as possible and will then submit the renegotiated Settlement to the Court for preliminary approval. If the Parties are unable to reach an agreement on a subsequent settlement or obtain preliminary approval of a Settlement after attempting to renegotiate, the Settlement will be null and void, and the Parties will have no further obligations under it, and the Parties will revert to their prior positions in the Action as if the Settlement had not occurred.

50. **Direct Checks Without a Claims Process.**

a. Settlement Class Members do not need to submit a claim form or any information to participate in the Settlement or to otherwise receive payments from the Settlement Fund. Payments to Settlement Class Members will be paid pro rata via direct checks from a Net Settlement Fund to all Settlement Class Members who do not timely opt out of the settlement. The Net Settlement Fund is the Gross Settlement Fund minus Court awarded amounts for Settlement Administration Expenses, Named Plaintiff's Service Award, and Class Counsel's attorneys' fees and costs. Payment will be made via direct checks to Settlement Class Members.

b. The Settlement Administrator shall notify the Parties that Settlement Class Members have been paid within five (5) business days of the last such payment.

c. In the event that checks sent to Settlement Class Members are not cashed within 120 days from the date of issuance, whether because the checks were not received or otherwise, those checks will become null and void, such funds shall be distributed to *cy pres* recipient Prairie State Legal Services, subject to approval of the Court.

51. **Tax Treatment.**

a. Class Members' payments and Plaintiff's Service Award will be classified as non-wage income, and the settlement administrator will report the payments on a 1099 form, if required by law. The settlement administrator shall be responsible for making all reporting with respect to all amounts payable under this Settlement as required pursuant to any federal, state, or local tax law or regulation hereunder under the EIN of the Escrow Account. The settlement administrator shall also be responsible for filing and sending Form 1099 to any applicable recipient of any payment made pursuant to this Agreement. The settlement administrator shall handle all tax reporting with respect to the payments made pursuant to the Settlement and shall report the payments in accordance with applicable law. Plaintiff and each Class Member will be solely responsible for all taxes, interest, penalties, or other amounts due with respect to any payment received pursuant to the Settlement. Plaintiff, on behalf of all Class Members, acknowledges and agrees that he has not relied upon any advice from Defendants or Defendants' Counsel as to the taxability of any payments made or received pursuant to the Settlement.

VI. PROSPECTIVE RELIEF

52. Without admitting any liability or that it is required by law to do so, Defendants represent that before the Effective Date, they have implemented procedures to collect written consent forms relating to the use of fingerscans for time-keeping purposes.

VII. RELEASE

53. In addition to the effect of any final judgment entered in accordance with this Agreement, upon final approval of this Agreement, and for other valuable consideration as described herein, Released Parties shall be completely released, acquitted, and forever discharged from any and all Released Claims.

54. As of the Effective Date, and with the approval of the Court, all Releasors hereby fully, finally, and forever release, waive, discharge, surrender, forego, give up, abandon, and cancel any and all Released Claims against Released Parties. As of the Effective Date, all Releasors will be forever barred and enjoined from prosecuting any action against the Released Parties asserting any and/or all Released Claims.

55. Each Releasor waives any and all defenses, rights, and benefits that may be derived from the provisions of applicable law in any jurisdiction that, absent such waiver, may limit the extent or effect of the release contained in this Agreement.

VIII. PRELIMINARY APPROVAL ORDER AND FINAL APPROVAL ORDER

56. This Settlement shall be subject to approval of the Court. The Parties shall have the right to withdraw from the Settlement if the Court does not approve the Settlement.

57. 58. At the time of the submission of this Settlement Agreement to the Court as described above, the Parties shall request that, after Notice is given, the Court hold a Final Approval Hearing approximately ninety (90) days after entry of the Preliminary Approval Order and approve the settlement of the Underlying Action as set forth herein.

59. At least seven (7) days prior to the Final Approval Hearing, or by some other date if so directed by the Court, Plaintiff will move for: (i) final approval of the Settlement; (ii) final appointment of the Class Representative and Class Counsel; and (iii) final certification of the Settlement Class, including for the entry of a Final Order and Judgment identical in all material respects to the proposed Final Order and Judgment attached hereto as Exhibit C, and file a motion and memorandum for final approval.

IX. NOTICE TO PROPOSED SETTLEMENT CLASS MEMBERS

60. List or Other Means of Class Identification.

a. Within fourteen (14) days after entry of the Preliminary Approval Order, Defendants will provide an Excel spreadsheet to the third-party settlement administrator with Class Members' contact information (names, last known mailing addresses, and email addresses). Defendants will provide the last four digits of any Class Member's social security number to the settlement administrator upon the settlement administrator's request in the event the settlement administrator deems the SSN necessary to track down a class member. The Class List will be treated as confidential, and the information will be shared for purposes of Settlement administration. If the last known mailing address is missing from the Class List for more than 5% of the Class Members, Defendant will inform Class Counsel immediately and work with Class Counsel to contact any third parties for the information or take any other reasonable steps to obtain contact information for the Class.

61. Type of Notice Required

The Notice shall make clear the binding effect of the settlement on all persons who do not timely request exclusion from the Settlement Class.

b. Dissemination of the Notice shall be the responsibility of the Settlement Administrator. The text of the Notice shall be agreed upon by the Parties and shall be substantially in the forms attached as Exhibit A hereto.

69. The Parties will jointly request that the Court hold a Final Approval Hearing at least ninety (90) days after entry of the Preliminary Approval Order. At the Final Approval Hearing, the Parties will request that the Court consider whether the Settlement Class should be certified as a class for settlement and, if so; (i) consider any timely and properly-filed objections; (ii) determine whether the Settlement is fair, reasonable and adequate, was entered into in good faith and without collusion, and should be approved, and shall provide findings in connections therewith; and (iii) enter the Final Approval

XIV. TERMINATION OF THE SETTLEMENT

73. The Settlement is conditioned upon preliminary and final approval of the Parties' written Settlement Agreement, and all terms and conditions thereof without material change, material amendments, or material modifications by the Court (except to the extent such changes, amendments or modifications are agreed to in writing between the Parties). All Exhibits attached hereto are incorporated into this Settlement Agreement. - c. The Court refuses to grant Preliminary Approval of this Agreement;
- d. The Court refuses to grant Final Approval of this Agreement in any material respect;

e. The Court refuses to enter a final judgment in this Underlying Action in any material respect;

f. The Settlement does not become Final.

74. In the event the Settlement Agreement is not approved or does not become Final, or the Settlement is terminated consistent with this Settlement Agreement, the Parties, pleadings, and proceedings will return to the *status quo ante* as if no settlement had been negotiated or entered into, the Gross Settlement Fund and interest earned thereon will belong to Defendants less any Administrative Expenses paid to date; and the Parties will negotiate in good faith to establish a new schedule for the Underlying Action.

XV. ATTORNEYS' FEES, COSTS AND EXPENSES, AND SERVICE AWARD

75. Defendants agree not to oppose Class Counsel's request for attorneys' fees plus their unreimbursed litigation costs in an amount not more than thirty-five percent (35%) of the Gross Settlement Fund. Any fees or costs not awarded are added to the Net Fund to be distributed to class members. This amount shall not be an additional expense of Defendants but shall be paid out of the Gross Settlement Fund.

76. Notwithstanding any contrary provision of this Agreement, the Court's consideration of the Fee Award is to be conducted separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement Agreement, and any award made by the Court with respect to Class Counsel's attorneys' fees or expenses, or any proceedings incident thereto, including any appeal thereof, shall not operate to terminate or cancel this Agreement or be deemed material thereto.

77. Class Counsel shall provide the Settlement Administrator with its completed IRS Form W-9 at least seven (7) business days prior to the payment of the Fee Award is due. Within fourteen (14) days after the Effective Date, the Settlement Administrator shall pay to Class Counsel from the Gross Settlement Fund the amount awarded by the Court in the Fee Award. Any payment of the Fee Award shall be paid via paper check or by electronic wire transfer to an account designated by Class Counsel.

78. Prior to or at the same time as Plaintiff seeks final approval of the Settlement Agreement, Class Counsel shall move the Court for a Service Award for the Class Representative in an amount not to exceed Seven Thousand Five Hundred Dollars and Zero Cents (\$7,500.00), and Defendants agree that it will not oppose such a request. This amount shall not be an additional expense of Defendants but shall be paid out of the Gross Settlement Fund. If the Court does not approve any Service Award for the Class Representative, or if the Court approves and Service Award in an amount less than Seven Thousand Five Hundred Dollars and Zero Cents (\$7,500.00) for the Class Representative, any funds not awarded are to be added to the Net Settlement Fund and to be distributed to the Class Members.

79. In no event will Defendants' liability for attorneys' fees, expenses, and costs, settlement administration costs, and/or Service Award exceed its funding obligations set out this Agreement. Defendants shall have no financial responsibility for this Settlement Agreement outside of the Gross Settlement Fund. Defendants shall have no further obligation for attorneys' fees or expenses to any counsel representing or working on behalf of either one or more individual Settlement Class Members or the Settlement Class. Defendants will have no responsibility, obligation or liability for allocation of fees and expenses among Class Counsel.

XVI. MISCELLANEOUS REPRESENTATIONS

80. The Parties agree that the Settlement Agreement provides fair, equitable and just compensation, and a fair, equitable, and just process for determining eligibility for compensation for any given Settlement Class Member related to the Released Claims.

81. The Parties (i) acknowledge that it is their intent to consummate this Settlement Agreement, and (ii) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Agreement and to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Agreement. Class Counsel and Defendants' Counsel agree to cooperate with each other in seeking Court approval of the Preliminary Approval Order, the Settlement Agreement, and the Final Approval Order, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Settlement.

82. The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiff and the Settlement Class, and each or any of them, on the one hand, and against and among the Released Parties, and each or any of the Released Parties, on the other hand. Accordingly, the Parties agree not to assert in any forum that the Underlying Action was brought by Plaintiff or defended by Defendants, or each or any of them, in bad faith or without a reasonable basis.

83. Defendants also may take any measures they reasonably conclude are necessary to comply with the Class Action Fairness Act.

84. The Parties also agree that, other than public court filings, court-ordered Notice to the Class, communications with Settlement Class Members, and placement on the Settlement Administrator's website, there shall be no publication or dissemination of the terms of this Agreement by Plaintiff, Class Counsel, or the Settlement Administrator in the form of press releases, social media or website postings. For the avoidance of any doubt, nothing in this Agreement prevents the Plaintiff, Class Counsel or the Settlement Administrator from making any disclosures required to effectuate this Agreement or from making any disclosures required by law, or prevents Class Counsel from responding to media-initiated inquiries. To the extent that Plaintiffs' Counsel is contacted by the media about this Settlement, they shall be permitted to respond to inquiries by stating that the Parties believe they have reached a fair and reasonable settlement of the disputed claims.

85. Nothing express or implied in this Agreement is intended or shall be construed to confer upon or give any person or entity other than the Parties, Released Parties, and Settlement Class Members any right or remedy under or by reason of this Agreement. Each of the Released Parties is an intended third-party beneficiary of this Agreement with respect to the Released Claims and shall have the right and power to enforce the release of the Released Claims in his, her or its favor against all Releasors.

86. The Parties have relied upon the advice and representation of counsel, selected by them, concerning their respective legal liability for the claims hereby released. The Parties have read and understand fully this Settlement Agreement, including its Exhibits, and have been fully advised as to the legal effect thereof by counsel of their own selection and intend to be legally bound by the same.

87. Any headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

88. The waiver by one Party of any breach of this Agreement by any other Party shall not be deemed as a waiver of any prior or subsequent breach of this Agreement.

89. This Agreement and its Exhibits set forth the entire agreement and understanding of the Parties with respect to the matters set forth herein, and supersede all prior negotiations, agreements, arrangements and undertakings with respect to the matters set forth herein. No representations, warranties or inducements have been made to any Party concerning this Agreement or its Exhibits other than the representations, warranties and covenants contained and memorialized in such documents.

90. This Agreement may not be amended, modified, altered, or otherwise changed in any manner except by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

91. The Parties agree that Exhibits A through C to this Settlement Agreement are material and integral parts thereof and are fully incorporated herein by this reference.

92. The Parties may agree, subject to the approval of the Court where required, to reasonable extensions of time to carry out the provisions of the Agreement.

93. Except as otherwise provided herein, each Party shall bear its own costs.

94. Plaintiff represents and warrant that he has not assigned any claim or right or interest therein as against the Released Parties to any other person or party.

95. The Parties represent that they have obtained the requisite authority to enter this Settlement Agreement in a manner that binds all Parties to its terms.

96. The Parties specifically acknowledge, agree and admit that this Settlement Agreement and its Exhibits, along with all related drafts, motions, pleadings, conversations, negotiations, correspondence, orders or other documents shall be considered a compromise within the meaning of Illinois Rules of Evidence Rule 408, and any other equivalent or similar rule of evidence, and shall not: (i) constitute, be construed, be offered, or received into evidence as an admission of the validity of any claim or defense, or the truth of any fact alleged or other allegation in the Underlying Action or in any other pending or subsequently filed action, or of any wrongdoing, fault, violation of law, or liability of any kind on the part of any Party; or (ii) be used to establish a waiver of any defense or right, or to establish or contest jurisdiction or venue.

97. The Parties also agree that this Settlement Agreement and its Exhibits, along with all related drafts, motions, pleadings, conversations, negotiations, correspondence, orders or other documents entered in furtherance of this Settlement Agreement, and any acts in the performance of this Settlement Agreement are not intended to establish grounds for certification of any class involving any Settlement Class Member other than for certification of the Settlement Class for settlement purposes.

98. This Settlement Agreement, whether approved or not approved, revoked, or made ineffective for any reason, and any proceedings related to this Settlement Agreement and any discussions relating thereto shall be inadmissible as evidence of any liability or wrongdoing whatsoever and shall not be offered as evidence of any liability or wrongdoing in any court or other tribunal in any state, territory, or jurisdiction, or in any manner whatsoever. Further, neither this Settlement Agreement, the Settlement contemplated by it, nor any proceedings taken under it, will be construed or offered or received into evidence as an admission, concession or presumption that class certification is appropriate, except to the extent necessary to consummate this Agreement and the binding effect of the Final Order and Judgment.

99. The provisions of this Settlement Agreement, and any orders, pleadings or other documents entered in furtherance of this Settlement Agreement, may be offered or received in evidence solely: (i) to enforce the terms and provisions hereof or thereof; (ii) as may be specifically authorized by a court of competent jurisdiction after an adversary hearing upon application of a Party hereto; (iii) in order to establish payment, or an affirmative defense of preclusion or bar in a subsequent case; (iv) in connection with any motion to enjoin, stay or dismiss any other action; or (v) to obtain Court approval of the Settlement Agreement.

100. This Agreement may be executed in one or more counterparts exchanged by mail or PDF as an electronic mail attachment. All executed counterparts and each of them shall be deemed to be one and the same instrument, provided that counsel for the Parties to this Agreement all exchange signed counterparts.

101. This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties hereto and the Released Parties.

102. Plaintiff and all other Class Members will be solely responsible for all taxes, interest, penalties, or other amounts due with respect to any payment received pursuant to the Settlement, and shall defend, indemnify, and hold harmless Released Parties in relation to any claim relating to the same.

103. Plaintiff acknowledges and warrants as true and correct that he has not been treated for any physical or mental injury in relation to his claims against Defendants and he is not a Medicare beneficiary as described under Section 1862(b) of the Social Security Act.

91. This Agreement shall be governed by and construed in accordance with the laws of the state of Illinois.

92. This Agreement is deemed to have been prepared by counsel for all Parties as a result of arms-length negotiations among the Parties. Whereas all Parties have contributed substantially and materially to the preparation of this Agreement and its Exhibits, it shall not be construed more strictly against one Party than another.

93. Unless otherwise stated herein, any notice required or provided for under this Agreement shall be in writing and shall be sent by electronic mail or hand delivery, postage prepaid, as follows:

NOTICE OF PROPOSED CLASS ACTION SETTLEMENT

YOU MAY BE ENTITLED TO A CASH PAYMENT FROM A CLASS ACTION SETTLEMENT IF YOU USED A FINGER OR HAND SCAN TIMECLOCK AT TRINITY PROPERTY AT ANY TIME BETWEEN JUNE 12, 2015 AND [DATE OF PRELIMINARY APPROVAL]

This is a court-authorized notice of a proposed class action settlement. This is not a solicitation from a lawyer and is not notice of a lawsuit against you.

What is this Notice About?

A proposed settlement has been reached in a class action lawsuit against Trinity Property Consultants, LLC and Pacific Personnel Services, Inc. (“Defendants”) regarding the finger scan timeclocks that Defendants’ employees used, which Plaintiff claims were allegedly in violation of the Illinois Biometric Information Privacy Act (“BIPA”). The case is entitled *Calonia v. Trinity Property Consultants, LLC, et al.*, Case No. 20-cv-06130, pending in the U.S. District Court for the Northern District of Illinois. The proposed settlement is not an admission of wrongdoing by Defendants, and Defendants deny that they violated the law. The Court has not decided who is right or wrong. Rather, to save the time, expense, and distraction of litigation, the parties have agreed to settle the lawsuit. The settlement has been preliminarily approved by a court in Chicago, Illinois.

Am I a Member of the Settlement Class?

You are a member of the Settlement Class if, at any time between June 12, 2015 and [date of preliminary approval], you were employed by Defendants in Illinois, and used a hand or finger scan timeclock at work.

What Can I Get From the Proposed Settlement?

Defendants has agreed to create a fund totaling \$154,480 from which all payments contemplated by the Settlement Agreement will be paid, including: (a) Service Award to Plaintiff, Isidro Calonia, Jr., in an amount up to \$7,500; (b) reasonable attorneys’ fees to Class Counsel not to exceed 35% percent of the Settlement Fund plus reimbursement of reasonable costs; (c) costs incurred by or on behalf of the Settlement Administrator in administering the settlement; (d) an equal share of the remaining Settlement Fund to each Settlement Class Member; and (e) if applicable, any remaining amounts will be distributed back to Defendants.

The Settlement Administrator will issue a check to each Class Member who does not otherwise exclude themselves following the final approval of the settlement. It is believed that each Class Member will receive approximately \$490 from the Settlement Fund, but the exact amount is not yet known and could be more or less.

Who Represents the Class?

The Court has approved the following attorney to represent the Settlement Class, who is referred to as “Class Counsel,” Fish Potter Bolaños, P.C., 111 E. Wacker Dr., Ste. 2300, Chicago, IL 60601, admin@fishlawfirm.com, (312) 861-1800. You will not be charged for this lawyer. If you want to be represented by your own lawyer instead, you may hire one at your own expense.

What Are Your Options?

1. If you want to participate in the settlement and receive a settlement payment, do nothing. A check will be mailed to you if the Court grants final approval of the settlement.
2. If you do not want to be legally bound by the settlement, you must exclude yourself by [45 days of the Notice date]. To do so, you must mail your written request for exclusion to the Settlement Administrator, Analytics Consulting, LLC, at the address listed below, postmarked on or before the deadline. If you exclude yourself, you will not receive money from this settlement, but you will retain your legal rights regarding any claims that you may have against Defendants.
3. You may object to the settlement by [45 days of the Notice Date] if you have not already excluded yourself from the settlement. If you want to object to the settlement, you must file the objection with the Clerk of the Court in Cook County and deliver, e-mail, or mail postmarked by the deadline a copy of your objection to Class Counsel and Defendants’ Counsel at the addresses below by [45 days from of the Notice Date].

PRELIMINARY APPROVAL ORDER

This matter having come before the Court on Plaintiff's Unopposed Motion and Memorandum in Support of Preliminary Approval of Class Action Settlement of the above-captioned matter (the "Action") between Plaintiff ISIDRO CALONIA, JR. ("Plaintiff"), and TRINITY PROPERTY CONSULTANTS, LLC and PACIFIC PERSONNEL SERVICES, INC. ("Defendants") (collectively, "the Parties"), as set forth in the Class Action Settlement Agreement, between Plaintiff and Defendants (the "Settlement Agreement"), and the Court having considered the papers filed and proceedings in this matter, and being fully advised in the premises, IT IS HEREBY ORDERED, as follows:

1. Capitalized terms not defined in this Order are defined in the Parties' Settlement Agreement.
2. The Court finds, on a preliminary basis, that the Settlement is fair, reasonable, and adequate.
3. The Settlement Agreement was negotiated at arm's-length between counsel for the Parties who are experienced in class action litigation.

4. The Court finds, on a preliminary basis, that Class Counsel has adequately represented the proposed Class Members.

5. For settlement purposes only, the Court certifies a Settlement Class defined as follows:

All individuals who, during the Class Period, used a hand or finger or biometric identifier or biometric information for timekeeping or payroll purposes at Defendants' facilities within the state of Illinois and did not provide written consent in advance.

Excluded from the Settlement Class are (1) any Judge or Magistrate presiding over this Action and members of their families, (2) persons who properly execute and file a timely request for exclusion from the Settlement Class, and (3) the legal representatives, successors or assigns of any such excluded persons.

6. The Court finds that distribution of the Notice to the proposed Class Members is justified because Plaintiff has shown that the Court will likely be able to (i) approve the Settlement under Rule 23(e)(2) and (ii) certify the proposed class for purposes of settlement.

7. The Court finds that, subject to the Final Approval Hearing, the Settlement Agreement is fair, reasonable, and adequate, is likely to be approved under Federal Rule of Civil Procedure 23(e)(2) and is in the best interests of the Settlement Class set forth above. The Court further finds that the Settlement Agreement substantially fulfills the purposes and objectives of the class action and provides substantial relief to the Settlement Class without the risks, burdens, costs, or delay associated with continued litigation, trial, and/or appeal. The Court also finds that the Settlement Agreement (a) is the result of arm's-length negotiations between experienced class action attorneys; (b) is sufficient to warrant notice of the settlement and the Final Approval Hearing to be disseminated to the Settlement Class; (c) meets all applicable requirements of law, including

Federal Rule of Civil Procedure 23 and the Class Action Fairness Act (“CAFA”), 28 U.S.C. § 1715; and (d) is not a finding or admission of liability by the Defendant or any other parties.

8. For settlement purposes only, the Court appoints Isidro Calonia, Jr. as the Class Representative.

9. For settlement purposes only, the Court appoints as Class Counsel:

David Fish
Mara Baltabols
Fish Potter Bolaños, P.C.
111 E. Wacker Dr., Suite 2300
Chicago, Illinois 60601
admin@fishlawfirm.com
(312) 861-1800

10. The Court appoints Analytics Consulting, LLC as the Settlement Administrator to perform all duties described in the Settlement Agreement and ordered by this Court.

11. The Court finds that distribution of the proposed Notice of Class Action Settlement (“Notice”) by mail and, where reasonably possible, email is the best practicable means of providing notice under the circumstances and, when completed, shall constitute due and sufficient notice of the proposed Settlement and the Final Approval Hearing to all persons affected by or entitled to participate in the Settlement, in full compliance with the notice requirements of Fed. R. Civ. P. 23, due process, the Constitution of the United States, and other applicable laws. The proposed Notice is accurate, objective, and informative. It provides Class Members with all of the information necessary to evaluate the fairness of the Settlement and to make an informed decision regarding whether to participate in the Settlement.

12. Any Settlement Class Member may request to be excluded from the Settlement by submitting a written request for exclusion to the Settlement Administrator as described in the Notice by _____ [45 days from Notice date].

13. Any Settlement Class Member who excludes himself or herself from the Settlement will not be entitled to any recovery under the Settlement and will not be bound by the Settlement or have any right to object, appeal, or comment on it.

14. Any Class Member who does not request to be excluded from the Settlement may object to the Settlement by submitting a written statement to the Settlement Administrator as described in the Notice by _____[45 days from Notice date].

15. Settlement Class Counsel shall file a motion for attorney fees, litigation costs, settlement administration costs, and the Class Representative's Service Award ("Fee Petition") no later than _____.

16. Settlement Class Counsel shall file a motion for final approval of the Settlement no later than _____. The motion for final approval shall include copies of any objections submitted and identify any Settlement Class Members who have requested to be excluded from the Settlement.

17. The Court schedules a Final Approval Hearing for _____, **2023 at 9:00 a.m.** in Courtroom 1441 of the Everette McKinley Dirksen United States Courthouse, 219 South Dearborn Street, Chicago, IL 60604, to be held via phone conference or other remote means, unless otherwise ordered by the Court, to consider, among other things, (1) whether to finally approve the Settlement; (2) whether to approve Class Counsel's request for attorney fees and litigation costs; (3) whether to approve the Settlement Administrator's costs; and (4) whether to approve the Class Representative's request for an Service Award. Settlement Class Members may, but are not required to, appear at the Final Approval Hearing and request to speak in favor or against the Settlement.

18. The Final Approval Hearing may be postponed, adjourned, transferred, or continued by order of the Court without further notice to Settlement Class Members. Case No. 1:20-cv-06130

Judge Thomas M. Durkin

FINAL ORDER AND JUDGMENT

This matter having come before the Court on Plaintiff's Unopposed Motion and Memorandum in Support of Final Approval of Class Action Settlement of the above-captioned matter (the "Action") between Plaintiff ISIDRO CALONIA, JR. ("Plaintiff"), and PACIFIC PERSONNEL SERVICES, INC. ("Defendant") (collectively, "the Parties"), as set forth in the Class Action Settlement Agreement, between Plaintiff and Defendant (the "Settlement Agreement"), due and adequate notice having been given to the Settlement Class, and the Court having considered the papers filed and proceedings in this matter, and being fully advised in the premises,

IT IS HEREBY ORDERED:

1. Capitalized terms not otherwise defined in this Final Approval Order are defined in the Parties' Settlement Agreement.

2. The Court-approved Notice of Class Action Settlement ("Notice") was distributed by the Settlement Administrator, Analytics Consulting, LLC, to Settlement Class Members by direct mail and, where available, by email. The Parties also established

a publicly-available settlement website with the Notice, Settlement Agreement, and Preliminary Approval Order. The Notice and the methods of distribution satisfy due process, the requirements of Rule 23(e)(1)(B) of the Federal Rules of Civil Procedure, and constitute the best notice practicable under the circumstances.

3. [Number] Settlement Class Members submitted objections or excluded themselves from the Settlement.

4. The Court grants final certification of the class that the Court previously certified for settlement purposes in its Preliminary Approval Order. The Class is defined as follows:

All individuals who, during the Class Period, used a hand or finger or biometric identifier or biometric information for timekeeping or payroll purposes at Defendants' facilities within the state of Illinois and did not provide written consent in advance.

Excluded from the Settlement Class are (1) any Judge or Magistrate presiding over this Action and members of their families, (2) persons who properly execute and file a timely request for exclusion from the Settlement Class, and (3) the legal representatives, successors or assigns of any such excluded persons.

5. The Court finds the settlement memorialized in the Settlement Agreement and filed with the Court is fair, reasonable, and adequate, and in the best interests of Settlement Class Members. The Court finds that: (a) the strength of the Settlement Class Representative's and Settlement Class Members' claims weighed against the Defendants' defenses and the complexity, length and expense of further litigation support approval of the Settlement; (b) the Gross Settlement Fund of \$154,480 as set forth in the Settlement Agreement is a fair, reasonable and adequate settlement of the claims; (c) the Settlement was reached pursuant to arm's-length negotiations between the Parties, with the assistance

of a neutral mediator; (d) the support for the Settlement expressed by Settlement Class Counsel, who have significant experience representing parties in complex class actions, including those involving Biometric Information Privacy Act claims, weighs in favor of approval of the Settlement; (e) the absence of any objections to the Settlement by Settlement Class Members supports approval of the Settlement; and (f) the Action has progressed to a stage where the Court and the parties could evaluate the merits of the case, potential damages, and the probable course of future litigation.

6. The Parties and the Settlement Administrator are ordered to comply with the terms of the Settlement Agreement.

7. The Court awards \$_____ to the Settlement Administrator, _____, for its work administering the Settlement, which is payable from the Gross Settlement Fund as described in the Settlement Agreement.

8. The Court awards Settlement Class Counsel \$_____ in attorney fees and \$_____ in litigation costs, which are payable from the Gross Settlement Fund as described in the Settlement Agreement.

9. The Court awards Settlement Class Representative Isidro Calonia, Jr. \$7,500 as a Service Award, which is payable from the Gross Settlement Fund as described in the Settlement Agreement.

10. This matter is dismissed with prejudice. The Court retains jurisdiction solely with respect to the interpretation, implementation, and enforcement of the terms of the Parties' Settlement Agreement.
